Preface

Thank God for His gift of music. He has created the sparrows to sing and dance all their life, though they have no barn to store and are often lonely. God's children should be a singing people with even greater joy, shining forth in this dark and gloomy world.

Oh! God's most beautiful heart is yearning for you and me. We are the bosom children of our Heavenly Father, the Lord's darling love and the Spirit's precious jewels.

So blessed we are created for our Heavenly Father and the Lord, for Their love dream and Their glorious purpose. Only when we live close to God in His love can we be satisfied. Oh! God's glorious eternal purpose is my meaning of life.

I am so grateful to our Lord Beloved for His miraculous help of love in completing this beautiful hymnal. It is so pleasurable that He enables this first, short edition to be published on the 50th anniversary of His commission to us.

Heartfelt thanks to numerous brothers and sisters for their prayers and contributions in various ways in creating and shaping this hymnal, which is now going forth to be a great blessing to the church and the world. We are anticipating publication of the full version in the near future.

I thank the Lord tremendously for bringing us out from darkness into His marvellous light, revealing so many precious, wonderful truths to us. This special hymnal, within its short compass, contains very precious central truths from eternity to eternity:

- the wonderful eternal love of the Trinity,
- the deepest relationships between God and men,
- our glorious Abba Father, His love, His glory and His relationships with us,
- our Saviour, our Lord Jesus Christ, His Person and works, His love and precious relationships with us,
- men's true value and meaning of life,
- the Lord's love journey from the manger to the cross, His resurrection and ascension,
- God's eternal purpose, the Lord's great commission and His love desire,
- His second coming to take us to Himself,
- His glorious coming to the earth,
- the Millennium – God's Kingdom on earth,
- the New Heaven and the New Earth with the glorious New Jerusalem,
- our sweet love eternity.

These can help the church to live in the important reality and stay on the right path.

God used the singing and worshipping in David's tabernacle to raise up many saints who experienced God deeply and lived close to Him. It was a golden age in the history of Israel. The singing worship of David's Tabernacle is the foreshadow of a singing worshipping church living in love, joy and freedom with Him.

"...I will build again the tabernacle of David..." (Acts 15:16).

The Lord desires His church to be a singing and worshipping bride and God's sweet love family. Enjoying His abundant love and Abba's sweet bosom, we can be full of love, with love outflowing to one another. God's sweet love family will be a living shining light to the world!

To truly know, behold and experience Abba and the Lord is the way for us to grow in love and glory. This is the path to sanctification and joy, leading to revival of the church and great blessing to the world. We will live a vital loving church life and have the strength and passion to build the church after God's heart.

Singing and worshipping Abba and the Lord daily is really a sweet "diamond time" in which we can offer our love to the Father and the Lord. We can then experience deeply the love interflow with God and let our heart be renewed, transformed, satisfied, sweetened, filled with joy and nourishment. Abba and the Lord treasure this "diamond time" dearly, too. Don't let Abba and the Lord miss you!

In the Psalms, God asks us many times to sing to him. These are words of a lover. Brothers and sisters, may our responses of faith, love and joy satisfy Him!

"I will sing to Yahweh as long as I live; I will sing praise to my God while I have my being. My meditation shall be sweet to Him; I will rejoice in Yahweh" (Ps. 104:33-34).

Brothers and sisters, I highly recommend you to sing with a worshipping heart the two "diamond songs" (*Who Affects the Father Most* and *Love Like a Rainbow*) to Abba and the Lord daily. It has been such a blessing to me for many years. These two hymns are about Abba's and the Lord's heart towards you, with rich, heart-warming and heart-lifting truths, guiding you to behold the glories of Abba and the Lord. They will feed and nourish your spirit greatly. While singing and worshipping with these two hymns, you will have ample time and space for the Lord to reveal His heart to you and show you the Father (*John 17:26*). You will rejoice in Abba's and the Lord's love daily, and enjoy God as your portion. You will grow and overcome the world.

His love is so matchless and overwhelming that we sing joyfully. And we will desire to give thanks and sing through the world for His touching love and abundant grace.

"I will give You thanks among the peoples, O Lord; of You will I sing praises among the nations" (Ps. 57:9).

May the Lord use this hymnal to ignite a new era of knowing, singing worshipping, and experiencing Abba and the Lord. Let us strive together for His eternal glorious purpose in a strong movement to accomplish His great commission, and gloriously wait for His second coming soon!

Thank God that one day "*the time of singing*" (*Song 2:12*) will come, and we will meet Him in the clouds! Oh, what a fantastic appointment! Come, Lord Jesus!

In 1968, when the author was kneeling on this rock in quietness before God, the Lord showed him the vision of the church. In a moment, he saw the preciousness of the church in God's heart from the creation to eternity.

The vision has influenced his life and ministry for all these years.

His goal and vision is to build the church after God's heart observing His words, to fulfil the Lord's great commission and His love desire.

The author called this memorable hill in Hong Kong "Mount Carmel in Shatin", the special frequented secret place he drew near to and had fellowship with God.

The Love Expression that Stuns the Universe

I'm the love gift of Abba to His Beloved Son –
A heart-giving gift that caused Him the greatest pain.
Such love expression stuns the whole universe,
Makes me stand in wonder.
O the love of Abba toward His only Son.
O the Lord with rapturous joy received His Father's love gift
And endured the bitter cross.
O the love within the Trinity is why "I am".
I am most tenderly blessed!

I'm the love dream of the Lord from eternity past.
I'm His sweet love secret treasured deep in His heart.
Leaping o'er mountains He came from Heaven to fulfill
His fairest love dream,
And receive in boundless joy His Father's best love gift.
O the Lord, He saw the joy ahead, despised all the shame,
And endured the bitter cross.
Now the Lord's victorious love banner flies over me.
I am His and He is mine!

O Abba, the Lord and the Spirit embrace me
To the depth of Their fairest heart!
We're the most beloved treasure in Their sweet love communion
From eternity to eternity!
